

# FIREARMS/SHOOTING ORGANIZATIONS

Listed below are the names and addresses of various firearms organizations/associations throughout the U.S. You are encouraged to join those organizations which pertain to your region and area of interest. As thorough as we try to be, every year we get quite a bit of mail back from individual firearms associations that is undeliverable. So, if your club does not appear on the following pages or doesn't have a current address, please forward the correct information to us for inclusion in the next edition.

For more than 50 years, the NRA's affiliated Gun Collecting clubs (identified in the following listings with an \*) have been a vital part of NRA's educational outreach programs. With over 100 of these clubs, there is one for almost every collecting interest and area. Collector affiliates are leaders in firearms safety programs for gun shows, and they sponsor some of the most popular and successful shows in the country. They participate in the NRA's Annual Meetings and Exhibits with spectacular displays of rare and historically important arms. Affiliates also sponsor the annual National Gun Show and the annual National Gun Collecting Seminar. An annual awards ceremony for collector affiliates is held every year at the NRA's Annual Meetings.
